What's New

- 2.4-liter direct injection turbocharged horizontally-opposed (BOXER) that uses regular-grade fuel (87 AKI)
- EyeSight Assist Monitor (EAM) provides a heads-up display of the EyeSight[®] Driver Assist Technology warnings and system status information on the windshield of the vehicle
- Seven or eight passenger configurations
- Up to 5,000-lb. towing capacity, the most of any Subaru in history
- Trailer Stability Assist utilizes yaw sensors to monitor trailer sway and can brake individual wheels to stabilize the vehicle and trailer
- Available smart rear-view mirror allows the driver to see behind the vehicle when the rear of the cabin is blocked by passengers and/or cargo
- Available front view monitor provides 180-degree visibility on the multi-function display
- Available in-car Wi-Fi connectivity provides internet access via high-speed LTE[™] communications
- SUBARU STARLINK[™] Connected Services offers remote engine start (on models with push-button start); concierge service; anti-theft vehicle immobilizer with flashing vehicle security lights; child safety functions including geofencing, speed alert and curfew; and firmware updates over the air
- Built in Subaru's plant in Indiana and is available in base, Premium, Limited and Touring trim lines
